Swim Lesson Policies

- Group lessons do not have recurring charges or enrollment. Payment is collected through the front desk at the time of registration, and strictly covers the dates posted on this flier.
- Group lessons are available for members only.
- We do not offer makeup classes unless we are at fault for missing the class, or if the class falls on a holiday.
- It is possible that your class may have a substitute instructor if the normal instructor is not able to make it. Unless an aquatics staff member has notified you about needing to cancel the class, there will **always** be a substitute instructor for your class.
- Swimmers cannot attend the first group lesson class, and get a full refund for the session.
- Parents are welcome to observe the lesson in specified areas on the pool deck. Please limit interaction with your children during lessons to ensure the best learning environment for your child and the instructor. If you choose to leave the pool area, please return at least 5 minutes before the scheduled ending time for your child's lesson.
- Children not potty trained **MUST** be in a **WATERPROOF** swim diaper. No disposable or cloth diapers are allowed in the pool.
